## WHY SHOULD I PLAY?

Even the best of us make choices that put us in difficult situations. The caring staff at Pathways of Pella gives accurate, up-to-date information so men and women can make decisions when facing challenges regarding a pregnancy, sexual health, or a relationship issue. We operate solely on the support and gifts of concerned people like you and those you ask to sponsor you in the Golf Tournament.

Your support helps provide accurate information and compassionate assistance to the women and men seen at Pathways. In 2016 we helped over 90 families.
